Examination Preparation

MOCK EXAMINATION 2

ENGLISH B2·C1 BUSINESS

telc – language tests have a long tradition of specialisation in the field of English language testing and certification around the world. The examination *telc English B2·C1 Business* is a dual-level format that measures language competence across two levels of the Council of Europe's *Common European Framework of Reference for Languages* (CEFR). Test takers thereby have the opportunity to gain certification at a level that precisely reflects their language abilities.

An essential characteristic of standardised language examinations is that the participants know what is expected of them during the test. The mock examination informs the test taker about the test format and tasks, times and assessment criteria, as well as the procedures involved in the exam implementation. It can be used for practice purposes, general information and examination preparation.
